August

Keep the environment clean
we can surely do our bit if
we focus on these areas

- ⊕ Keep organic waste in one bucket and glass, paper, metal in another. This will simplify the process of recycling.
- ⊕ Avoid buying overpackaged food (an item covered with more than 2 layers) as this adds to the waste.
- ⊕ Buy items in large quantities. Instead of a quarter litre can of oil if you purchase a one litre can you have to get rid of only one can not four !!
- ⊕ Try to buy goods in cardboard cartons. Glass containers are preferable to plastic or metal ones as they can be resold or recycled.

Don't Litter
